HOB0 DAY in 1984 is slated for the Oct. 6 game with Nebraska-Omaha.

Although St. Cloud State and Mankato State joined the North Central Conference in 1981-82, the two Minnesota universities will be competing for the NCC football title for the first time this fall.

VETERANS EVERYWHERE . . . EXCEPT OFFENSIVE LINE

Based strictly on statistics, things look pretty good for the 1983 South Dakota State University football team.

Every back, except two backup quarterbacks, who carried the ball last year returns.

Seven of the ten players who caught passes return.

Nine of the 12 players who scored points return.

And there were only four seniors on the entire defensive unit last year so five of the top six tacklers are back.

But there's a flip side to every coin.

Seven of the 17 lettermen missing from last year's team played on the offensive line. That means the Jacks are faced with rebuilding the entire blocking force . . . and they'll be doing it with last year's freshmen. Of the 17 players listed on the offensive line depth chart after spring ball, 14 will be either freshmen or sophomores next fall.

And it's no secret the success of any football offense starts with the people playing from tackle to tackle.

Defensively, there are 17 lettermen returning, ten of them with previous starting experience. But there's not much depth so injuries in key spots could be crucial.

Head coach Wayne Haensel, the guy in charge of the offensive lines, says State must also revamp its offense so the Jacks won't be so predictable. "We have to run more things from one set. We can't have a different formation for every play," Haensel said.

Jackrabbit coaches are confident the talent is there to rebuild the line. It's just a matter of how long it takes. At the start, guys like Mike Reiner and Mike Orr will be called on to add leadership and stability to an otherwise inexperienced unit.

Reiner, 6-3½, 236, started at tackle last year but was moved to center in spring ball. Orr, 6-1, 225, is the only letterman at guard. Both are seniors.

"We moved Reiner because we wanted stability in the middle of the line," Haensel said. The Jacks also wanted to open the tackle spots to some talented newcomers, like 6-4, 250 Mark Diesch; 6-6, 255 Lowell Erickson, and 6-4, 288 Lee Hircock. All are sophomores. Diesch lettered as a reserve last year. Fred Hunt, 6-1, 245, also figures to help.

The guards will come from Orr, junior college transfer Jeff Thorpe, 6-1, 213; plus sophomores Phil White, 6-3, 239, and Doug Pearson, 6-2, 225. In

SOPHOMORES:

* Mark Diesch, OT, top reserve last year

addition, freshman Jeff Mounts, 6-2½, 255, will be groomed at both center and tackle while sophomore Kim McDermott, 6-3, 220, is at guard and center.

"Our offensive line has great potential, both physically and athletically, but there are only three players on the whole team, tackle to tackle, who saw any varsity action last year. As a

group, the line needs playing time," Haensel said.

The inexperience factor also includes tight end, where sophomore Dennis Thomas is the front runner. Thomas is an excellent prospect and he's backed up by a junior, Rick Sweet, moved to tight end from the defensive line.

Behind the line, the two biggest

questions are 1) who will be backup quarterback and 2) who will be backup wide receiver.

At quarterback, Mike Law returns. He was healthier last spring than he has been since a knee injury sidelined him half-way through the 1981 season. Mike has averaged 170 yards per game total offense in the dozen conference games he has played ... and that includes the 1981 NDSU game in which he played three snaps from center before being injured.

And there are six runningbacks returning who started last year: fullbacks Paul Prout and Al Molitor plus halfbacks Rod Riehl (leading rusher with 392 yards), Kevin Skalla, Rick Wegher and Steve Sundet.

Law's backup will be either transfer Gary Poland, a two-year starter at South Dakota Tech where he earned all-NAIA District 12 honors in 1981, or sophomore Rich Morehouse, an outstanding prospect. Morehouse missed spring ball because of baseball, where he was a starting pitcher on the SDSU team which qualified for the NCC post-season playoffs.

At split end, two talented underclassmen won't be around, John Herman and Mike Perkins. Herman left school with personal problems last year after an excellent sophomore season and Perkins had a collision with academic problems.

But starter Mike Ethier returns. He has been second-team all-conference twice and already has become just the fourth SDSU player to top the 1,000 yard mark receiving: 78 catches for 1,038 yards and 6 TDs. Three-time letterman Matt Hippe was moved from the secondary to wide receiver in spring ball and demonstrated an ability to help the team.

Defensively, there are a lot of familiar faces around, including seven players who have lettered at linebacker. Inside linebackers Dave Fremark and John Lewis are both returning starters. Leading candidates outside include Jim Gray and Todd Yackley, both with starting experience. Marty Miser, a three-year letterman, and Greg Dralle, a two-time letterwinner, are also back inside. And junior Ross Brockshus should challenge for a starting job.

Up front, tackles Ken Jensen and Ed Wilkins are returning starters. Letterman Kevin Cade is the front-runner at nose guard. And the Jacks should get help from two-year letterman Lee Schmidt, moved from end to tackle after missing last year with an injury.

In the secondary, starters Randy Pirner, Wade Rasmussen and Jim

Smith return leaving one cornerback spot open, and letterman Greg Sorenson could nail that one down. The Jacks could have three Junior College All-Americans in their secondary. Smith was second-team JC all-American at Normandale CC in 1981 before starting for the Jacks last year. Rick Wirtjes, like Smith a free safety, also earned all-America honors that season at Rochester CC before staying out of school last fall. He enrolled at SDSU in January. And recruiting landed another blue-chipper from Normandale, Gary Fisher. Another returnee is Kevin Murray, who started at strong safety until late last season. And the Jacks have two-year letterman Todd Roberts in reserve behind Pirner.

Defensive lineman Ken Jensen handled the place kicking last year and did a fine job (18 of 21 extra points, 6 of 10 field goals). His longest field goal was 42 yards and he did an excellent job on kickoffs. He could get help from freshman K.C. Johnson, an all-stater at Yankton High School last year.

Linebacker Dave Bidinger did the punting last year, averaging 35 yards. After working on the winter strength program, he was stronger in spring

ball and coaches expect a corresponding improvement in his kicking average.

Haensel Guides Jackrabbits

Calling it a new era in South Dakota State football is a misnomer.

Jackrabbit football and the name Wayne Haensel are almost synonymous.

Haensel has been a player and assistant coach at State long enough to know everything there is to know about Jackrabbit football — from the winning tradition of his playing days, when the Jacks were atop the North Central Conference more often than not, to the challenge facing him now as the head coach.

The Jacks haven't won a conference championship since 1962. That's just five years after Haensel was co-captain of the 1957 championship team.

Thus, that becomes the ultimate goal — bring back a championship to the team which has won 14 titles over the years . . . enough to keep SDSU in third place on the all-time list despite the fact that the Jacks haven't won one in the last 20.

But of more immediate concern is installing the Wayne Haensel philosophy into the program. There are some changes being made, believe it!!!

"This isn't the way I wanted to become head coach," Haensel said when he was named boss of the Rabbits five days after John Gregory was relieved of those duties following the 1981 season. "But if I don't take the job, someone else will, and that so-

meone won't have the burning love for Jackrabbit football and South Dakota State that I have."

Haensel has paid his dues, coaching in the high school ranks for 14 years, then spending nine years as an assistant coach with SDSU. From the Little House on the Prairie town — Walnut Grove, Minn. — he played for coach Ralph Ginn and earned both all-North Central Conference and Scholastic All-America honors as a Jackrabbit. He was drafted by the New York Giants,

but did not play professional football.

Instead, he became a coach. Seven years at Beresford (1959-66) produced a 47-12-1 record. He went to Mitchell and his teams had a six-year record of 31-20-1, including a mythical state championship in 1971. And he coached one year at Sioux City North, with the team posting a 5-4 record in 1972. He joined the SDSU staff in 1973 as an assistant coach, handling the offensive line until last year when he became defensive coordinator.

All of Haensel's talents haven't been confined to the football field. In 1976, he won the title of Pork Cookout King of South Dakota at the state Pork Producers Association convention in Sioux Falls. That qualified him for the national cookoff.

Haensel has also been a key figure in SDSU's track picture, developing an impressive string of weightmen for the Jacks (SDSU entrants won three straight NCC shot put titles (1979-81) before settling for second last year.

In 1972, Haensel was the first recipient of the Ralph Ginn Distinguished Coaching Award, an honor created in memory of Haensel's college coach.

Haensel earned his Bachelor's Degree at SDSU, then added a Master's Degree in Biology from Montana State in 1964 and has done post-master's work at the University of Idaho and at the University of South Dakota.

Haensel and his wife, Kris, have three children.

Don Charlson

**DON CHARLSON DEFENSIVE COORDINATOR,
DEFENSIVE LINE**

Don was a standout nose guard for SDSU (1975-77), earning all-NCC recognition as a senior. A native of Sioux City and a graduate of Sioux City Heelan (1973), he attended the Air Force Academy prep school for one year before transferring back to SDSU. He earned his Bachelor's Degree at SDSU in 1978 and added a Master's in 1979 before moving on to Yankton College where he was defensive coordinator for two years. He then spent one season as head coach at Westmar, guiding the Eagles to a 5-4 record, winning five of the last six games. Don and his wife, Teresa, have two children.

MARK EKLAND LINEBACKERS

Mark Ekland

Mark is the newest member of the Jackrabbit staff, joining the Yellow and Blue July 1. He will be assistant football and head baseball coach. Ekland replaced Erv Huether, who retired after 34 years as head baseball coach at SDSU. A Rapid City native, he attended Augustana College, earned his Bachelor's Degree in 1973 and added a Master's Degree at SDSU in 1978. For the past five years, he has been on the staff at Jamestown College where he was defensive coordinator for Coach Rollie Greeno. JC had one conference title and one national playoff appearance during those years. Ekland was also assistant basketball coach for men for three years and head women's basketball coach for two, winning the conference title for women's basketball last season. He was head baseball coach all five years, winning one conference title. Ekland is a 1969 graduate of Rapid City Central where he was a member of the state Class A basketball championship team that year. He played football and baseball at Augustana, earning honorable mention all-conference in baseball. Ekland and his wife, Becky, have one child.

BRAD ERICKSON RECEIVERS

Brad Erickson

Brad is in his eighth year on the Jackrabbit staff, doubling as assistant football coach and head swimming coach. He has guided a string of standout receivers including two-time all-conference tight end Monte Mosiman, two time all-conference wide receiver Lionel Macklin, and current standout Mike Ethier. In swimming, his 1979 team won the North Central Conference title for men and the 1981 team won the same championship for women. Over one three-year span, the SDSU women's teams were 20-4 in duals. Erickson is a member of the NCAA Women's Swimming Committee. Erickson is a 1974 graduate of SDSU where he won three NCC swimming titles, helping SDSU rise from an also ran to an NCC title contender. He was the first SDSU swimmer ever to qualify for a national championship meet. NCC Scholar Athlete-Stan Marshal Award

In 1975, the North Central Conference created the Scholar-Athlete Award program to honor the outstanding student-athlete at each NCC member institution.

Criteria for the award requires that a student-athlete be an outstanding performer both athletically and academically, and that the award go to a senior who is within 12 hours of graduating.

In 1982, the award was expanded to include the Stan Marshall Award, presented in memory of the former SDSU athletic director. All scholar athlete award nominees are eligible, with the Stan Marshall Award going to the individual selected as the outstanding student-athlete from the entire conference.

In 1983, the scholar athlete and Stan Marshall awards were expended to include both a male and female winner.

Winners of the NCC Scholarship Athlete Award at South Dakota State have been:

1975 — LYNN BODEN, 1st team Kodak All-American football player and the only NCC player ever picked on the first round of the National Football League draft. He carried a 2.50 grade point average majoring in physical education.

1976 — BILL MAST, football quarterback who was a two-time academic all-conference pick and was twice voted honorable mention on the all-NCC team as a player. Was co-captain in 1975. Had a 3.000 GPA in animal science.

1977 — BOB SUNDVOLD, 3.139 GPA in commercial economics, second in NCC scoring race as senior with 16.4 average and led league in free throw shooting at 94.4 per cent.

1978 — BILL MATTHEWS, 3.654 GPA in dairy science, was a first team All-American both as a player (The Associated Press) and academically. Drafted by the New England Patriots.

1979 — BRAD ALFRED, 3.08 GPA in pharmacy, earned seven letters in football and track at SDSU, was All-American in track finishing third in Division II discus in '79; won NCC shot put and discus title that year; academic all-NCC in football as center.

1980 — CHUCK LOEWEN, 3.537 GPA in commercial economics; earned NCAA post-graduate scholarship; first-team Kodak All-American at offensive tackle; only offensive lineman to win NCC Player of Week Award.

SDSU Founded 103 Years Ago

South Dakota State University will enter its 103rd year of service this fall.

One of 68 land-grant institutions in the United States, SDSU was founded by the Territorial Legislature Feb. 21, 1881. The first building was erected in 1883 and classes began Sept. 24, 1884.

SDSU has the largest enrollment of any college or university in South Dakota, reaching an all-time high last fall at 7,289.

Designated for land-grant status by the Morrill Act of 1862, the Enabling Act, admitting the State of South Dakota, approved Feb. 22, 1889, provided 120,000 acres of land be granted for the use and support of the agriculture college. By the Enabling Act of 1889, Congress granted South Dakota 40,000 additional acres in lieu of a grant that had been made to new states in 1841.

In 1923, the institution's instructional program was organized under five divisions: Agriculture, Engineering, General Science, Home Economics, and Pharmacy. In 1956, the sixth undergraduate division, Nursing, was created and in 1957, all graduate work was organized into a Graduate Division. The university organization was formally recognized when the legislature changed the name from South Dakota State College to South Dakota State University on July 1, 1964. At that time, the following colleges were created: Agriculture and Biological Sciences, Arts and Science, Engineering, Home Economics, Nursing and Pharmacy, as well as the Graduate School.

In 1974, the College of General Registration was created to provide assistance to students who are undecided as to a major, are pre-professional or who want one or two years of general personal studies.

In 1975, the Division of Education was created to provide greater recognition of the part the University plays in preparation of teachers, counselors and administrators for primary and secondary school systems and higher education.

SDSU also carries out a vigorous program of research through the Agricultural Experiment Station, organized in 1887 under the Hatch Act of Congress, and also as an am-

bitious program in continuing education through the Cooperative Extension Service, established to provide useful, current agricultural and homemaking information to the people of the state.

SDSU offers over 125 majors and a wide variety of Master's programs.

Brookings, the home of SDSU, celebrated its 100th birthday during the summer of 1979. Brookings is a growing community of 15,000 people located in east central South Dakota, in the center of some of the best outdoor recreation country around. Hunting, fishing, boating — all types of outdoor sports — are a part of the way of life in the Brookings area.

Athletically, SDSU is a charter member of the North Central Conference and has won more conference championships than any other current member with 82.

SDSU's success has not been confined to one or two sports. The Jacks

have won 16 of 24 NCC cross country championships decided to date; have won 19 outdoor track championships (no one else has won more than nine); have won or shared 14 NCC football championships; have won or shared 14 NCC basketball titles (the Jacks have been in the NCAA basketball playoffs 11 times) and, in fact, are the only current member of the NCC to win at least one championship in each of the conference-sanctioned men's sports.

The SDSU wrestling teams have competed in every College Division — Division II national tournament ever held and have hosted the national tournament twice, in 1973 and again in 1979. The Jacks have finished in the top ten in the NCAA wrestling tournament 14 times since the tournament began in 1963. SDSU wrestlers have earned All-America honors 49 times.

SDSU has also been a dominate force nationally in cross country, first for the men and now for both men and women. Last fall, for example, SDSU was second in the NCAA Division II championships for both men and women. Jackrabbit men's teams won national championships in 1956 (NAIA), 1959 (NCAA) and 1973 (NCAA). Seven other times SDSU has been runnerup in the national meet.

And that great sports tradition has carried over into women's sports. SDSU started competition for women in 1967, before Title IX. And success has been a way of life there, too.

The Jacks won back to back national titles in women's cross country (AIAW Division II 1980 and NCAA Division II 1981). In the last four years, SDSU has been fourth, first, first and second in women's competition at the national championship meets.

In 1982, the women's track team finished third in the nation and the Jacks have won five straight North Central Conference women's track titles: indoors 1982 and 1983; outdoors 1981, 1982 and 1983.

SDSU has won NCC titles in gymnastics, swimming, indoor track, outdoor track and golf, and last year won the first ever NCC women's all-sports title. The men have been either first or second in the all-sports race the last seven years with four championships.

Behind the Scenes

SHERWOOD O. BERG PRESIDENT

Dr. Berg is the first alumnus to become president of SDSU. He assumed the post August 1, 1975. A native of Hendrum, Minn., Berg attended the School of Agriculture in St. Paul, Minn., for two years, then earned his Bachelor of Science Degree at SDSU in 1947. He added a Master's Degree at Cornell University in 1948, and earned a PhD at the University of Minnesota in 1951. In 1980, he was one of ten recipients of the Outstanding Achievement Award from the University of Minnesota and that same year, he received a commendation Joint Committee on Agricultural Development after serving two years as chairman of that committee. Berg has extensive international agricultural experience, having served as agricultural attache in Yugoslavia, Norway and Denmark, and as director of an agricultural development effort in Indonesia in addition to his leadership in SDSU's involvement in an extended program in Botswana designed to upgrade that African nation's agricultural education. Berg is a veteran of the U.S. Army and served in Europe during World War II.

HARRY FORSYTH . . . ATHLETIC DIRECTOR

Forsyth became acting athletic director in June, 1980, following the death of Stan Marshall, then was named to that position on a permanent basis later that summer. He has been on the SDSU staff since 1956. A native of Redfield, Forsyth received his Bachelor's Degree at SDSU in 1951, then returned for his Master's in 1956 and has been here since. He added a doctorate in physical education from Springfield College in 1970. Forsyth was assistant baseball coach for the Jacks for 13 years. He was athletic business manager until that position was changed to assistant athletic director in 1970. Forsyth lettered in basketball and baseball at SDSU after having a pro tryout with the Yankees. He played for Pierre in the old Basin League in 1949. Forsyth was a pilot in Korea during the Korean Conflict and is still active in the national guard. His son, Maury, is currently a military pilot.

MYLO HELLICKSON FACULTY REPRESENTATIVE

Hellickson has been faculty representative at SDSU since 1977, and as such is also chairman of the Athletic, Intramural and Recreation Committee on campus. He has been on the SDSU staff since 1969, serving as a professor in agricultural engineering until he was appointed as head of that department during the summer of '82. His specialty has been in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture. A native of Belfield, ND, he is a graduate of North Dakota State University.

JIM BOOHER. HEAD TRAINER

Jim heads one of the top athletic training operations in the Upper Midwest. He has been responsible for developing the training minor program at SDSU and has had excellent results in placing students when they go on towards their physical therapy degrees. He has been at SDSU since 1967. A 1965 graduate of Nebraska Wesleyan, Booher was on the Wesleyan team which lost to SDSU in the finals of the NCAA regional at Brookings in 1963 when the Jacks went on to win the national championship. He received his physical therapy training at Mayo Clinic in Rochester, Minn. Booher earned his Master's Degree at SDSU in 1969 and added a PhD from Utah in 1976. He is a graduate of Ashland, Neb., High School.

CHARTER MEMBER OF NORTH CENTRAL CONFERENCE

South Dakota State is a charter member of the North Central Inter-collegiate Athletic Conference, better known as the North Central Conference or NCC.

The league was formed in the fall of 1921 when representatives of colleges and universities from South Dakota, North Dakota, Minnesota, Iowa and Nebraska met in Chicago to consider the formation of a conference. First official competition had teams from South Dakota State, University of South Dakota, North Dakota State, University of North Dakota, Nebraska Wesleyan, Morningside College, Creighton University, St. Thomas and Des Moines University.

Early competition involved just three sports: football, basketball and track. The NCC now determines championships in 10 sports for men and as an expanding number of championships for women. Men's championships are determined in football, cross country and golf in the fall; basketball, wrestling, swimming and indoor track in the winter; plus baseball, tennis and outdoor track in the spring.

The league has been a model for other NCAA Division II conferences around the nation, not only competitively but also from an administrative standpoint. Athletically, the conference has produced two NCAA College Division basketball champions, USD in 1958 and SDSU in 1963; three NCAA cross country champions, SDSU in 1959 and 1973 plus NDSU in 1972; and two NCAA wrestling champions. In addition, NDSU won three College Division football championships (awarded via polls).

The league has had numerous changes in membership over the years, although five charter members are still counted among the teams in the 10-member league.

During the spring and summer of 1981, the most recent changes were made. Mankato State, a league member from 1968 through 1977, was re-admitted to the conference at the league's spring meeting. Then, during the summer, St. Cloud State's application for admission was approved. Mankato and St. Cloud competed in all sports except football and

basketball in 1981-82, and will compete for all NCC championships this fall.

The University of Northern Colorado at Greeley was added to the league in 1979, and the Bears won the conference football championship in their first attempt (1980). UNC competes in all conference sports except baseball — they have maintained their baseball program at the Division I level.

Charter members still participating are SDSU, USD, NDSU, UND and Morningside. Also in the league Augustana College of Sioux Falls, admitted to the conference in 1941; and the University of Nebraska-Omaha, in the league since 1976.

UNO was actually in the league from 1935-43 when it was Omaha University — before the university became part of the Nebraska state system.

Des Moines University was the first of the charter members to leave the league, withdrawing in 1926. That university later ceased operations.

Nebraska Wesleyan withdrew following the 1927 football season. St. Thomas and Creighton severed ties in 1928.

The University of Northern Iowa (then Iowa State Teachers College) joined the league in 1936 and left in 1978.

R.D. "Dewey" Halford, former football coach at Morningside College, became the league's third commissioner during the summer of 1977, succeeding Dr. Richard G. Koppenhaver, who resigned when the league offices were moved from Minneapolis to Sioux Falls.

The NCC provides weekly statistical reports for the news media from the conference in Fargo during football, basketball and baseball seasons. NDSU sports information director George Ellis serves as NCC information officer as well.

The NCC commissioner's address is:
Mr. R.D. "Dewey" Halford,
Commissioner
North Central Conference
Suite 1000
Ramada Inn
2400 N. Louise Avenue
Sioux Falls, SD 57107

Northern Colorado Ends Win Streak

GREELEY, COLO. — Northern Colorado ended SDSU's three-game win streak 23-14 in a hard-fought game which saw the Jacks outgain the Bears 350-304 in total yards.

The score was tied at 14 when Jim Bright ran one in from a yard out early in the fourth quarter after UNC recovered a fumble at the Jack 37 on the final play of the third period.

Law had 278 yard total offense as he hit 17 of 36 passes for 202 yards, but he had three passes intercepted. John Herman caught 7 for 108. UNC's Jim Bright rushed for 148 yards on 29 carries.

The kicking game was a key in this one. UNC's Don Geist punted seven times for a 51-yard average, including an 80-yarder into the end zone after the Jacks stopped UNC on its

initial possession of the game. And Kevin Jelden kicked a 41-yard field goal and put all five of his kickoffs in the end zone. SDSU had zero yards in return (punts, kickoffs, interceptions) while UNC had 99.

Bison Spoil Hobo Day 10-3

It was a 3-3 tie at halftime, but North Dakota State dominated the second half, winning Hobo Day 10-3 with a bruising ground game which had the Bison outrushing the Jacks 216-80.

Matter of fact, the stats favored the Bison 183-59 after intermission. The eventual NCC champions just didn't make the most of a couple of scoring opportunities.

Nonetheless, State had a 3-0 lead thanks to a Ken Jensen field goal in the first quarter, and the Jacks also blew some scoring chances, including

one in the second period when State had a first down at the Bison 14 but lost the ball on a pass interception. The Jacks also had a first down at the Bison 20 in the fourth quarter but lost 12 yards on a first down play and ended up punting.

SDSU — Ken Jensen 37 yard field goal. 48 yards on 11 plays after opening kickoff. 8:45 1st Q. SDSU 3, NDSU 0.

NDSU — Mark Luedtke 42 yard field goal. 47 yards on 12 plays after punt. 11:40 2nd Q. SDSU 3, NDSU 3.

NDSU — Terry Baer 4 yard pass from Mark Nelleremoe (Luedtke kick). 68 yards in 8 plays after SDSU punt. 2:50 3rd Q. NDSU 10, SDSU 3.

SDSU SHRINE GAME STARTED IN 1966

The Shrine Game at South Dakota State will have its 18th renewal when the Jackrabbits open their 1983 season against Mankato State Sept. 3.

The game is a project of the Brookings Shrine Club with proceeds from the advance ticket sales going to support the 19 orthopedic hospitals and three burn centers sponsored all or in part by Shrine Clubs nationally.

The Shrine games haven't been particularly good for the Jacks. SDSU has won just six of the first 17. But State has won the last two, both over St. Cloud State in the season's openers of 1981 and 1982.

Coughlin-Alumni Stadium Now In 22nd Season

Coughlin-Alumni Stadium, the home of the Jackrabbits, is in its 22nd season.

Through the first 21 years of operation, there have been 107 SDSU games at Coughlin-Alumni Stadium. SDSU has a record of 58-49 at home during that time ... and there has never been a tie game at CAS.

The stadium project was started after Charles Coughlin, 1909 SDSU graduate, donated \$50,000 towards the building of a new stadium to replace State Field. The remaining \$250,000 of the original \$300,000 cost was raised from alumni, students and friends of SDSU.

In the winter of 1963-64, a 46x106 foot lockerroom was constructed immediately south of the stadium. That was a \$54,885 project.

In the fall of 1978, a new scoreboard, complete with message center, was installed. The scoreboard was manufactured by Daktronics, Inc., a Brookings-based firm.

The stadium is topped off by an excellent press facility, which was built for \$23,000 in 1962. The press box is 100 feet long, 10 feet wide and has six three-man booths, four two-man booths plus a 40-foot working press area.

The basic concrete stadium was upgraded in 1982 with the installation of new yellow and blue seat covers in the center reserved sections. The permanent stadium seats 6,044. Additional bleachers behind both end zones and on the east side of the field increase capacity to 16,000.

The largest crowd ever to see a football game of any kind in South Dakota came through the turnstiles on Hobo Day, October 18, 1975, when 15,866 saw SDSU defeat the University of South Dakota 24-22.

*for 1979, 1980, and 1981 seasons, SDSU played two-game, home-and-home series with University of South Dakota ... each game counted one-half in NCC play ... in 1979, SDSU won both so Jacks got credit for victory in conference standings ... in 1980 and 1981, the teams split, so SDSU and USD each ended up with a tie in the NCC standings despite not having a tie on the season record.

SDSU HOSTS ORIGINAL BEEF BOWL

SDSU will host the 17th annual Beef Bowl Oct. 1 when the Jacks entertain the St. Cloud State Huskies in a North Central Conference encounter.

SDSU is the site of the original Beef Bowl, a concept which has been copied by teams all around the country.

The Beef Bowl was started as SDSU's way of recognizing those individuals and firms who donate to SDSU's "Steer for State" program and also as a means of placing special emphasis on the beef industry in South Dakota.

Beef Bowl activities have included a banquet during the week and the famous Beef Bowl barbecue before the game. As part of the pre-game ceremonies, a live steer is auctioned off at the football stadium.

The official Beef Bowl was donated by Bill Zingelberg of Rapid City, a former SDSU student. He carved the trophy from a 40-pound cottonwood log and it depicts a bull in a football helmet.

The past six years, the media covering the game has voted on the game's Outstanding Player. Winners have been:

1977 — Gary Maffett, quarterback, SDSU, who rushed 23 times for 184 yards and completed 4 of 14 passes for another 58 yards, giving him 242 yards total offense as he ran for three touchdowns and passed for a fourth in a 34-2 Jackrabbit victory over Nebraska-Omaha.

1978 — Mark Dunbar, defensive end, SDSU, who led the Jackrabbit defense with three quarterback sacks among his nine tackles, a blocked punt which set up one touchdown, and a forced fumble which set up another score in a 41-17 SDSU victory over Morningside.

1979 — Bill O'Connor, runningback, from Augustana, became the only non-SDSU player to win the award when he rushed 37 times for 180 yards, including two touchdowns, and in the process became Augustana's all-time career rushing leader. But SDSU, with a late comeback, won the game 28-26.

1980 — Marty Higgings, quarterback, SDSU, rushed for 105 yards to spark a Jackrabbit offense which gained 267 yards on the ground in a 21-13 victory over the University of South Dakota.

1981 — Mike Law, quarterback, SDSU, rushed for 153 yards on 26 carries and completed 10 of 16 passes for another 77 yards giving him 230 yards total offense as the Jacks defeated Nebraska-Omaha 17-10.

1982 — Mike Law, quarterback, SDSU, became the first two-time winner of the award as he scored one touchdown as he passed for another in State's 20-7 upset victory over the University of South Dakota. Law had 11 net yards rushing on 12 attempts (33 gained, 22 lost) and also completed 8 of 15 passes for 181 yards including a 75-yard scoring play with John Herman.

Listen To The Jacks On WNAX

NORM HILSON

JERRY OSTER

For the 14th consecutive year, all Jackrabbit football and men's basketball games will be broadcast live on WNAX radio.

WNAX is the "Official Station" for SDSU sports.

WNAX is a member of the Roy H. Park Broadcasting group. On the air 24-hours a day, WNAX is a 5,000 watt station which covers much of a five state area (Nebraska, South Dakota, North Dakota, Minnesota and Iowa). It is located at 5700 on the AM dial.

"Voice of the Jackrabbits" Norm Hilson will again do the play-by-play with Jerry Oster providing the color commentary. Hilson had open heart surgery last spring but will be back in the broadcast booth when football season begins.

Hilson has been South Dakota Sportscaster of the Year four times, three times as picked by the National Sportscasters and Sportswriters Association and another as picked by the South Dakota High School Coaches Association.

Hilson has been with WNAX for 25-plus years since giving up a disc jockey job in the Twin Cities. A native of Valley City, ND, he is a graduate of Brown Broadcasting Institute in Minneapolis.

He travels about 15,000 miles annually broadcasting sports events, including all SDSU football and men's basketball games. WNAX also carries a full schedule of high school football and basketball, including heavy coverage during the playoff season. And even SDSU home games are a trip for Hilson — it's 270 miles round trip from Yankton to Brookings.

WNAX is the only radio station which has originated play-by-play broadcasts of every game played in the history of the state high school girls basketball tournament.

In addition to SDSU and high school events carried on WNAX, the station is a member of the Minnesota Twins and Minnesota Vikings radio networks; carries some Yankton College football games and also fills in with an occasional Nebraska Cornhusker football game.

Matter of fact, last Dec. 4, WNAX probably set some sort of record of sports broadcasting. The station carried live coverage of the final round of the state girls basketball tournament, then picked up a Jackrabbit basketball game from Bozeman, Mont. (tip-off 9 p.m. CST), and followed that with the University of Nebraska football game from Hawaii.

This will be the 18th consecutive year WNAX has carried SDSU basketball.

Hilson was Parade Marshall of the 1980 Hobo Day parade at SDSU.

KV91 TO CARRY JACKRABBIT FOOTBALL

Radio station KVAA . . . more commonly called KV91 . . . in Volga will carry all 11 SDSU football games this fall.

It's the first time KV91 has provided any play-by-play coverage for Jackrabbit sports.

KV91 is a 500 watt daytime, 1000 watt nighttime station at 910 AM. KV91 is in its third year of operation and is owned by Dakota North Plains Corporation, which also has station KKAA in Aberdeen.

Sports director Randy McDaniel will provide the play-by-play coverage.
